USI Innovation Healthcare Symposium

Thursday, April 30, 2026 | 7:00 am to 3:00 pm

Crowne Plaza King of Prussia

260 Mall Blvd.
King of Prussia, PA 19406

Join us for the USI Innovation Healthcare Symposium on Thursday, April 30th, 2026, for a day of game-changing innovation, connect with your peers and learn about best practices in employee benefits.

USI recognizes the unique challenges companies face within employee benefits. We are bringing together professionals from across the region with clinical experience in the industry to help companies find innovative and impactful health solutions to help manage their employees' health conditions and provide cost containment.

Our Keynote Speaker will be Kevin Mahoney, CEO of the University of Pennsylvania Health System and he will be speaking on *AI in Healthcare: Will it improve patient outcomes and lower costs?*

In addition, don't miss our benefits fair, showcasing innovative solutions in employee benefits - meet the principals of the companies and get to know them before you need them!

The Symposium will feature:

- 250 attendees
- 3 Breakout Sessions rotating 12 Speakers
- Keynote Speaker: Kevin Mahoney, MBA - CEO, University of Pennsylvania Health Systems
- Vendor Fair – showcasing innovative solutions in employee benefits
- Program Guide with speaker and breakout room information

* For Hotel accommodations: We will have a block of rooms available at the Crowne Plaza King of Prussia. If you are interested in staying, please contact Alexis Haught at alexis.haught@usi.com for information. *Please do not reserve directly through the hotel.*

*The Symposium is available for 6 SHRM credits.
Participants will need to attend the entire event to be eligible.*
